Q: Word to describe a traffic jam where the cars are actually moving slowly I've been having conversations in my head to describe a traffic jam. It's not 'classic' one where the traffic jams due to people, but it is a traffic jam where cars are actually moving very slow. Kinda similar to this. What would you call this traffic jam? A: I think we would call it a rat-race. Wikipedia defines it as A rat-race is a course of action in which only the fastest or most expeditious, or the people taking part are encouraged.
